Reference: October Quarterly Report (7/1/02-9/30/02)

Dear Ms. Smith:

On April 16, 2003, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 30, 2003 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedules A and B of your report disclose your committee has received apparent earmarked contributions for several federal candidates. Please be advised, if the contributions passed through your committee's account, then a notation must be made which states this and each must be itemized on Schedules A and B, regardless of the amount. In addition, if the earmarked contributions were forwarded in the form of the contributor's check, then a notation must be made which states this and they should be disclosed as MEMO entries on Schedules A and B, regardless of the amount. For disclosure purposes, the name and mailing address for each contributor must be provided and where the contribution exceeds \$200, the individual's occupation and name of employer must also be itemized. 11 CFR §110.6(c)(1)(iv) Please amend your report accordingly and provide the omitted schedule(s).

An adequate response must be received at the Commission by May 28, 2003. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in

which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions related to this matter, please contact Antoinette Kitchen on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,
